

**Date:** 8/05/2024

**Subject:** REACH 241 statement

Dear Customer,

This statement is intended to confirm that, to the best of our knowledge, all RoHS compliant products manufactured by Sealevel System Inc. and its contract manufacturers meet the standards of the European Union Registration, Authorization of Chemicals (REACH). As of June 27, 2024, 1 additional substance were added to the SVHC list.

Sealevel Systems Inc. has checked with our suppliers and have received confirmation that products such as; bare boards, enclosures, cables, labels and packaging material used with our products are all compliant with the RoHS III and REACH standards.

Please note that neither Sealevel Systems Inc. nor its suppliers routinely analyze our products for chemical content, nor are we required to do so. Therefore, it is not possible for Sealevel Systems Inc. to state categorically that our products are 100% free of substances listed in the REACH standard.

The latest 241 substances subject to analysis per the REACH Regulation were last updated on June 27, 2024. Please refer to the following for the most current candidate list of substances: <https://echa.europa.eu/candidate-list-table>

REACH regulation can be found here: <https://echa.europa.eu/regulations/reach/understanding-reach>
